

I, Maya Tyler, give permission for all information here to be used to promote my work.

About Maya

Maya Tyler is a multi-published author of paranormal romance novels and blogger at Maya's Musings. An avid reader, Maya writes the books she loves to read—romances! Her paranormal romances come with complex plot twists and happily-ever-afters.

When she's not writing, you can find Maya enjoying her favourite things—hanging out with her family, reading, and drinking coffee (especially Starbucks French Roast)!

Maya's Books

The Magicals Series:

A Vampire's Tale

A Wizard's Choice

A Fairy's Quest
